

UNH Fall 2008 Environmental Science Seminar Series

co sponsored by NRESS, DNRE, ESCI, EOS, ERG, OSP

Will be kicking off the fall Environmental Science Seminar Series at the beginning of October and it will run weekly through November and potentially into December. Exciting lineup! Time is 3:30 - 5:00 on Thursdays. Stay tuned for details as we are finalizing schedule now, and prepping a website and other promo materials...
