REGIONAL ASSOCIATION FOR RESEARCH ON THE GULF OF MAINE

RARGOM 2026 Annual Science Meeting Sponsorship Opportunities

About the RARGOM 2026 Annual Science Meeting

The Regional Association for Research on the Gulf of Maine (RARGOM) Annual Science Meeting will take place on Wednesday, November 4, 2026, at the University of New Hampshire in Durham, New Hampshire. The theme for this year's meeting is:

Navigating Change in the Gulf of Maine: Science, People, and the Next Generation

- Exploring a changing system: biological, ecological, physical, and chemical perspectives
- Connecting science, communities, and management
- Building resilience and advancing remediation
- Innovating with emerging tools and approaches
- Finding the bright spots: stories of progress and hope

The meeting will feature keynote speakers, presentations, lightning talks, a poster session, and a networking reception to catch up with colleagues and make new connections. Students and early-career professionals are especially encouraged to participate. Meeting details and updates are available on the RARGOM website at: <https://www.rargom.org/annual-science-meeting/>

Why Sponsor the RARGOM 2026 Annual Science Meeting?

The RARGOM Annual Science Meeting serves as a vital and inclusive platform for sharing innovative research and fostering collegiality among Gulf of Maine scientists and environmental decision-makers. Sponsoring this event demonstrates your organization's commitment to advancing the science that informs our collective efforts to sustain a healthy and resilient Gulf of Maine ecosystem. RARGOM meetings provide a venue for attendees to network with peers, gain inspiration from expert keynote speakers, and access opportunities for regional collaboration.
